Victoria is a Best-Performing Small City

The Milken Institute has announced their Best-Performing Cities for 2014. The annual report cites Texas as a "jobs machine" and they rank Victoria, Texas 3rd on their index of Best-Performing Small Cities, 2014. Increased wages and strong five-year job growth pushed Victoria, Texas up the list ahead of two other top 10 Texas small cities; Midland and College Station-Bryan.
