[Victoria is a Best-Performing Small City](#)

The Milken Institute has announced their Best-Performing Cities for 2014. The annual report cites Texas as a "jobs machine" and they rank Victoria, Texas 3rd on their index of Best-Performing Small Cities, 2014. Increased wages and strong five-year job growth pushed Victoria, Texas up the list ahead of two other top 10 Texas small cities; Midland and College Station-Bryan.

[Growth at Port of Victoria](#)

Activity at the Port of Victoria is creating an economic impact of \$10 billion, officials estimate.

Leaders from the Port of Victoria presented their annual report to Victoria County commissioners Tuesday, highlighting new docks, rail expansion and other improvements as contributors to the port's success.

[U.S. Senator John Cornyn talks Shared Workforce Training](#)

During a visit to the Caterpillar North American Hydraulic Excavator facility in Victoria, Senator John Cornyn recognized the efforts of Victoria College, Workforce Solutions Golden Crescent and the community to forge partnerships for successful industry development.

[Salem Crossing Subdivision to Bring 162 More Homes to Victoria](#)

Homes from 1,600 square feet to 4,000 square feet offer owners options near Loop 463 and Salem road.

[Homebuilder Plans Upscale Victoria County Subdivision](#)

The Escalera Ranch 1833 subdivision will give residents options of 1 to 5 acre lots on a 119-acre development.

[Developer announces 1,175-home project](#)

The new development in Victoria will be very similar to Pine Mills Ranch, a master-planned community in Katy featuring a spray park, pool, walking trails and picnic pavilions.

[Retail study shows \\$1.1 billion gap in Victoria business](#)

Victoria officials are studying the science of shopping - who buys what and why. Victoria has room for two major improvements: big box clothing retailers and casual, sit-down dining.
